

**SunCoast CCOP Research Base at the University of South Florida  
Affiliation Agreement**

This constitutes an affiliation agreement between the SunCoast CCOP Research Base at the University of South Florida and the \_\_\_\_\_ in which we agree to serve as a research base for NCI-approved cancer prevention and control trials to its members.

Affiliate institution participating with the SunCoast CCOP Research Base must meet all applicable standards for resources and personnel as specified by the National Institutes of Health and their own Institutional Review Boards. Continued participation is subject to satisfactory performance as judged by timely submission of required data and the eligibility and evaluability as determined by the SunCoast CCOP Research Base Operations Center.

The SunCoast CCOP Research Base agrees to provide access to active protocols and encourages members to participate in all research base committees. The affiliate's senior investigator or designate is automatically provided membership in Research Base's CCOP Committee.

In consideration of the above, this affiliation agreement is hereby ratified and acknowledges the relationship between the above affiliate and the SunCoast CCOP Research Base.
